Ah, I see now!! It's on THEIR page (the OSC page). There's a space which is causing the broken link.

I'll let Marty McComb and Gina Cristiano know about this right now—thanks so much!

Tim,

I believe Rose reported this earlier, too. It was brought to our attention by a member of the public.

There's a broken link on this page:

[http://epaossc.org/site/site\\_profile.aspx?site\\_id=11082](http://epaossc.org/site/site_profile.aspx?site_id=11082)

In this paragraph:

EPA is sharing information as quickly as possible with the public as experts work to evaluate any effects the spill may have on drinking water, public health, agriculture, fish and wildlife. Regular updates on the response for the public and the media are scheduled throughout the weekend. The latest updates and information on the response at available at: <http://www2.epa.gov/region8/gold-king-mine-release-emergency-response>.

This is what shows up in the address bar:

<http://www2.epa.gov/region8/gold-king-mine-release-%20emergency-response>
